

Global Medico-Legal Consultants is a medico-legal consultancy firm based in New Delhi and is founded by Prof R.K. Sharma, former Head, Department of Forensic Medicine & Toxicology, All – India Institute of Medical Sciences, New Delhi- 110029, INDIA

Global Medico-Legal Consultants offers experts in medical, biomedical, Forensic science and DNA fingerprinting to serve as consultants and expert witnesses for nearly every legal proceeding requiring medical or similar expertise. Our clients include lawyers (both defence and prosecution), insurance companies, government agencies and private individuals all over India and in several foreign countries. We offer our help in private medico-legal investigation to support defence or accused parties.

Our experts are highly qualified in their expertise. We offer our services to individual doctors, clinics, nursing homes and hospitals on regular contractual basis to avoid or defend medico-legal suits. We have tie up with lawyers to defend cases in Medical council/consumer courts, civil courts or criminal courts.
